

Sprint 3 Report

Slugtrade

Team Name: Slug Traders

Revision #1, May 23th, 2018

Stop Doing

- Stop disowning features when we are unwilling/unable to work on them
- Stop including more than 1 feature in pull requests
- Stop submitting pull requests with merge conflicts

Start Doing

- Start bringing changes from the develop branch into outstanding feature branches more frequently (at least every few days)
- Start using rebases instead of merges to bring changes from the develop branch into the feature branches
- Start listing directions for how to test new features inside a pull requests
- Start asking other teammates for help earlier

Keep Doing

- Keep collaborating and pair programming on difficult features/reworks
- Keep managing new features with pull requests

Work Completed

- As a developer, I want a fully functional landing page
- As a user, I want the products page to be beautiful so that it matches the rest of the site
- As a user, I want to edit items I have already posted
- As a user, I want to be able to filter posted products by type and category
- As a user, I want a beautiful UI to navigate the site

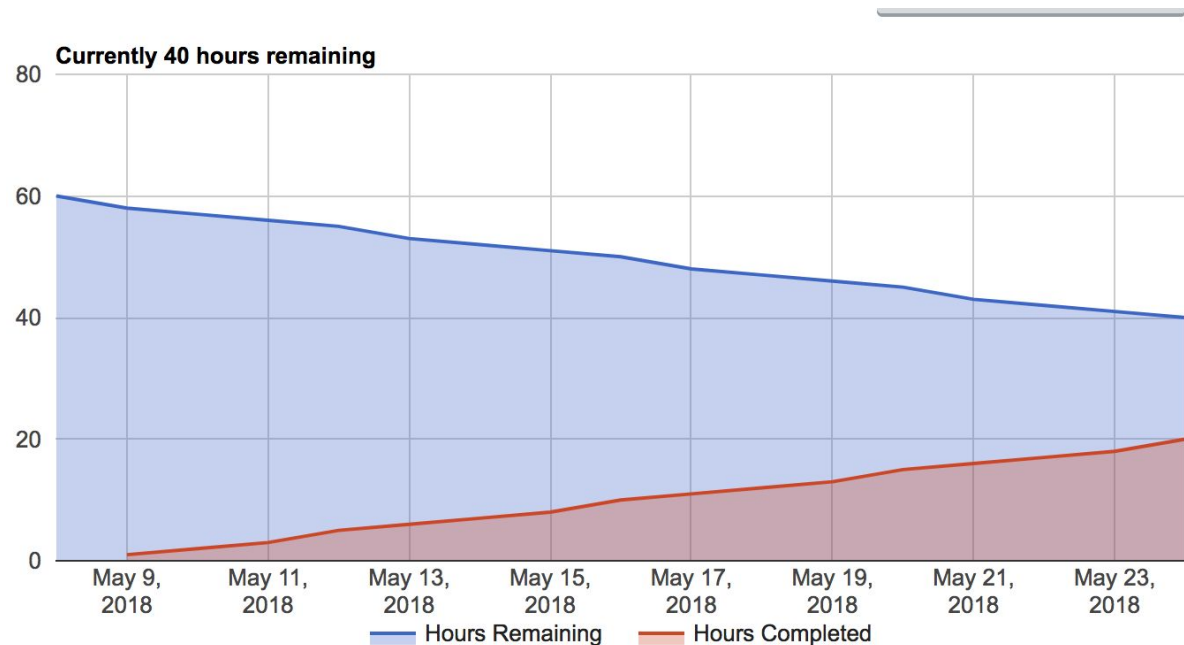

Work Not Completed

- As a user, I want to click on an item, view its full details, and click 'snag' to be redirected to an offer page
- As a user, I want to select item(s) from my closet to offer as a trade for the snagged item, include a comment if I wish, and submit the offer
- As a developer, I want to lint all of the existing python files so that we have a consistent coding style
- As a developer, I want more automated tests so that I don't check in regressions
