

Sprint 4 Report

Slugtrade

Team Name: Slug Traders

Revision #1, June 3rd, 2018

Stop Doing

- Editing other people's code without explicitly getting their input about any proposed changes.
- Stop skipping TA meetings

Start Doing

- Capitalize on opportunities to pair program, especially when there are strong conflicting opinions.
- Base Pull Requests off of previously well established templates.
- Vacation (End of Sprint 4)

Keep Doing

- Refining internal code review processes
- Communicating clearly about required changes
- Frequent updates on progress of features

Work Completed

- *As a developer, I want to finish testing the item details feature*
